Types of products with brief descriptions:

By signing this application this in no way guarantees your farm/business a spot in the 2024 Farmers Market at the Spencer Fair. All entries are at the discretion of the market's superintendent and based on the availability of space and the products already entered. Returning vendors are first served.

I acknowledge that this is no way binding for either myself, the market or the Spencer Agricultural Association, I have also read and agree to the rules and regulations of the market.
